## CONTEST WITH KAUAI CERTAIN

The secretary of the Lihue Kegel Club has written Manager Wisdom of the Y. M. C. A. bowling alleys, stating that the two Kauai crack bowlers, Maaser and Walters, will play Williams and Winne of the Honolulu, either next or the following Saturday, an endurance match of twenty games each.

There are some important games on the schedule this week, which will practically close the first series. If the Brunswick-Balkes win two out of three with the Players Monday night they will be tied with the Stragglers for first place. Should they take all three they will go into the lead.

Tuesday the Stragglers will meet the Oahu, Wednesday Bank of Hawaii will meet the Honolulu, and on Friday there will be a match between the Laeti and the Cosmos. The remainder of the schedule, consisting of matches between the Bank of Hawaii and the Laeti, and Bank of Hawaii versus Oahu, will be played the following week.

Two teams, the Players and the Bank of Hawaii, will drop out of the league at the completion of the first series.

## FIFTY YARD SWIM RECORD

CHICAGO, February 16. — Two world's records were changed tonight in the open swimming meet here under the auspices of the Illinois Athletic Club. Kenneth Huszagh of the Chicago Athletic Association made fifty yards in 23.45 seconds, while Harry Hebler of the Illinois Club improved on his own record by going the 150 yards back stroke in 1:52.

## FIRST DIRECT WORD FROM THE LOCAL OLYMPIC GAMES CANDIDATES

(Special Correspondence of the Star.) SAN FRANCISCO, February 16. — The cabin of the swimming party looked like a Christmas tree when it was inspected by the departing quartet. It was literally piled up with leis and packages, the latter containing remembrances from friends left behind.

The eleventh hour correspondence was principally of a tender nature. There were, however, exhortations to make a strong stand against temptations of booze which would be sure to be met with in the company of the good fellows whom the swimmers would be bound to meet.

Genoves undid a neatly-tied package and brought to light an opinion. He has not yet found out what the joke is.

Duke was very seasick the second day out, but soon pulled himself together, and thereafter didn't miss a meal.

Both Duke and Zen did training

stunts on deck on the trip up, the exercise being principally of a Marathon nature.

The captain's dinner was an enjoyable affair, the table of the swimmers being decorated with leis.

When Frisco was reached both swimmers looked and felt fine, and were undoubtedly benefited by the trip.

Mr. Plexotto, the A. A. U.'s big chief, gave the party cards of introduction on their arrival, to Mr. Humphreys of the Olympic Club, who extended the privileges of the club to the visitors. Dinner was taken at the club and many newspaper men and prominent sportsmen met.

On February 16 the party left for the East by the Overland Limited, pulling out of San Francisco at 10:20 a. m.

Mr. Gay, Norman Watkins and Arthur Armitage gave the party the glad hand on their arrival at the Hotel Stewart.

## FAHY WORKS WITH GILMORE

Dal Fahy has temporarily joined "Slim" Gilmore's training camp and will work regularly with the San Francisco middleweight until the departure of the S. S. Sierra next Wednesday.

Fahy is rangy and speedy and, moreover, is in the best of fix just now. He will undoubtedly give Gilmore useful work.

Gilmore will probably work with Sallor Clarke next week. The sailor is a bustling, aggressive boxer who may be relied on to keep his man on the move.

Trier of Camp Very will also be a member of Gilmore's training staff. The San Francisco reports good progress in his condition and states that he will be able to make the stipulated weight for de Mello without trouble.

Although the bout for the 9th has not yet been advertised there is already a demand for ringside seats.

## JACK DENNING, CRACK AMERICAN MIDDLEWEIGHT, TO MEET MOREAU, FRENCH CHAMPION, IN PARIS

JACK DENNING

NEW YORK, February 15.—Jack Denning, the crack local middleweight who recently put a dent in the reputation of the sensational Mike Gibbons of St. Paul, will exhibit his skill in France. Denning sailed recently for Paris to take on Marcel Moreau, the French champion, in a twenty-round battle to be held in Paris late this month. The pair met in New York on New Year's Day, and the local boy handed out a nice trimming to the Parisian. Moreau claimed that the climate affected him and packed up his duds and sailed for home on the next steamer. His backers say they will bet anything up from a frog's leg to \$5000 francs against Denning. As the New Yorker is one of the best two-handed fighters in the game today, he should make a great hit abroad.

## GENOVES HAS MATCH RACE

SAN FRANCISCO, February 17.—Walter Pomeroy, the Olympic Club distance swimmer and present holder of the Pacific Athletic Association half mile championship, yesterday accepted the challenge issued by the Hawaiian swimmers on behalf of their distance champion, Vincent Genoves, who is speeding on his way to the national championships at Pittsburgh and Chicago.

Pomeroy noticed the challenge in the Call yesterday morning and quickly showed up at the Call office ready to accept the defy. The well known local swimmer stated that it either the Olympic Club, the Y. M. C. A. or any other responsible organization would promote a swimming meet under P. A. A. sanction and include a match race between himself and Genoves, he would gladly meet the island champion on the latter's return from the East.

Pomeroy was in a very amiable frame of mind and was so enthused over the prospect that he went so far as to say he would allow his opponent to name the distance at a half mile or more, and also that Genoves can have the preference of a tank or an open race.

A race between these men would be a big struggle, and while Pomeroy's times are better over the half mile course than the Hawaiian's, it must be remembered that the local man has done all his events in a tank, while the island champion is used to swimming in open water. The turns in a swimming race at all times are conducive to better times than a straightaway. Pomeroy has done his half mile in 12 minutes 58 seconds, as against Genoves' 13 minutes 36.5 seconds.

Duke Kahanamoku is due to swim in Chicago on Wednesday.
